Rajiv Gandhi College of Engineering Research & Technology, Chandrapur
**Department of Computer Science & Engineering**

Project Title:  MANIFESTO FOR CANCER SPHERE

**Project PO/ PSO Attainment**

| PO/PSO | Attainment (level1=low,2= moderate,3=High) | Description |
|---|---|---|
| PO1 | 3 | In this project work, engineering knowledge is applied at highest level. |
| PO2 | 3 | In this project work, Problem analysis is done at highest level. |
| PO3 | 3 | In this project work, Design/Development of Solutions is applied at highest level. |
| PO4 | 3 | In this project work, conduction of investigations of complex problem is done at highest level. |
| PO5 | 3 | In this project work, modern tool usuage is applied at highest level. |
| PO6 | 3 | In this project work, the engineer and society concept is applied at highest level. |
| PO7 | 2 | In this project work, the engineer and society concept is applied at moderate level. |
| PO8 | 1 | In this project work, Ethics exists at lowest level. |
| PO9 | 3 | In this project work, Individual and teamwork exists at highest level. |
| PO10 | 3 | In this project work, Communication exists at highest level. |
| PO11 | 2 | In this project work, Project management and finance exists at moderate level. |
| PO12 | 3 | In this project work, Life Long Learning exists at highest level. |
| PSO1 | 3 | In this project work, Foundation of computer System exists at highest level. |
| PSO2 | 3 | In this project work, Foundation of Software Development exists at highest level. |
| PSO3 | 3 | In this project work, Foundation of mathematical concepts exists at highest level. |
